## Terms & Conditions

**Terms:** Initial purchase will be COD. Our business is growing plants not lending money, but we will extend net 30 terms with an approved credit application. If paying by credit card, payment must be made before order ships. Credit card payments will be accepted on invoices that have been extended credit, but will be assessed a 2% surcharge.

**Returned Checks:** A \$25 fee will be charged if a check is returned.

**Delivery:** We offer regular, scheduled delivery routes. Truck deliveries that are plants or fish only will be charged for delivery. Please inquire as to how you can qualify for free delivery.  
\*\*Jobsite delivery is available, please inquire for a quote.

**Drop Ship:** Existing customers may ask us to drop ship which we will do at the next lower discount level. We offer this as a service for our customers to increase their business, not as the sole way for someone to sell products .

**UPS & LTL:** UPS orders received by 10 am Monday – Thursday usually ship same day and LTL orders usually ship the next day. Potted plants and Fish must be shipped on our own delivery trucks. Cost plus handling will be charged on all UPS, LTL or Special orders.

**Pick-Up:** We request 24 hour advance notice to ensure adequate service. Some items are stored at our off-site warehouse. Avoid delays and let us know ahead of time what you need.

**Returns:** The products we sell are warranted by the manufacturer and, as such, credit will only be given for merchandise that meets the individual manufacturer's criteria for returns. We will issue an RMA# for any merchandise that has failed under manufacturer's warranty. Warranty periods vary greatly from item to item ranging from 0 days on a quartz tube to 5 years (if registered) for some pumps so be sure the item is truly under warranty. Credit or replacement will be issued upon the manufacturer's approval. It is your responsibility and expense to ensure that an item reaches us while still under warranty. Please exercise due diligence to ensure that product has in fact failed – gravel, wood chips or fish lodged in an impeller is not a warranted defect! ALL items returned require a dated original sales receipt, written description of the problem, and an RMA#.

Non-defective merchandise may be returned subject to approval and, as such, will require an RMA#. Merchandise must be in its original un-priced and unopened packaging and will be assessed a restocking charge before credit is issued. A 15% restocking charge will apply to merchandise that arrives back here in less than 30 days, and a 30% charge will be applied to items returned between 31-180 days. Those items over 180 days do not receive credit.
