### Terms & Conditions

**Terms:** Initial purchase will be COD. Our business is growing plants not lending money, but we will extend net 30 terms with an approved credit application. If paying by credit card, payment must be made before order ships. Credit card payments will be accepted on invoices that have been extended credit, but will be assessed a 2.5% surcharge.

**Returned Checks:** A \$25 fee will be charged if a check is returned.

**Delivery:** We offer regular, scheduled delivery routes. Truck deliveries that are plants or fish only will be charged for delivery. Please inquire as to how you can qualify for free delivery. \*\*Jobsite delivery is available, please inquire for a quote.

**Drop Ship:** Existing customers may ask us to drop ship which we will do at the next lower discount level. We offer this as a service for our customers to increase their business, not as the sole way for someone to sell products.

**UPS & LTL:** UPS orders received by 10 am Monday – Thursday usually ship same day and LTL orders usually ship the next day. Potted plants and Fish must be shipped on our own delivery trucks. Cost plus handling will be charged on all UPS, LTL or Special orders.

**Pick-Up:** We request 24 hour advance notice to ensure adequate service. Some items are stored at our off-site warehouse. Avoid delays and let us know ahead of time what you need.

**Returns:** The products we sell are warranted by the manufacturer and, as such, credit will only be given for merchandise that meets the individual manufacturer's criteria for returns. We will issue an RMA# for any merchandise that has failed under manufacturer's warranty. Warranty periods vary greatly from item to item ranging from 0 days on a quartz tube to 5 years (if registered) for some pumps so be sure the item is truly under warranty. Credit or replacement will be issued upon the manufacturer's approval. It is your responsibility and expense to ensure that an item reaches us while still under warranty. Please exercise due diligence to ensure that product has in fact failed – gravel, wood chips or fish lodged in an impeller is not a warranted defect! ALL items returned require a dated original sales receipt, written description of the problem, and an RMA#.

Non-defective merchandise may be returned subject to approval and, as such, will require an RMA#. Merchandise must be in its original un-priced and unopened packaging and will be assessed a restocking charge before credit is issued. A 15% restocking charge will apply to merchandise that arrives back here in less than 30 days, and a 30% charge will be applied to items returned between 31-180 days. Those items over 180 days do not receive credit.

### Pricing and Discount Policy –

We have continued our practice of showing a "Suggested Retail Price" on this list so that your customer will not see what you actually pay. As bona fide wholesale customers, you are entitled to a discount from that price and for new customers, that discount will depend on the \$ volume of your order. (We do NOT have a minimum order, but small purchases will not receive the same discount as large volume orders). This "SRP" is based on a simple multiplier of actual cost – manufacturers, internet discounters and mass merchants have reduced the "Suggested" to a euphemism in many cases. Please contact us with your questions.

**PLEASE NOTE** the column for MAPP pricing. This is a price set by the manufacturer as a "Minimum Advertised Price" and where that manufacturer defends the policy it offers some assurance that your customer will not see it for a lower price. Where there is no MAPP price, "anything goes". Because of our commitment to our traditional customers, we offer this additional pricing information for your consideration. Many of you have indicated that this will be a factor in your purchasing decisions, and others have indicated a more flexible pricing policy.

***We do hope that we will have the privilege of being your supply partner!***

### REMEMBER WE ARE A NURSERY!!!

We specialize in established potted plants, ready to use in the job – "instant gratification". Many of our aquatic plants are available in a larger "specimen" size and we also have a limited amount of "bare root" availability. Our aquatic availability and information about the many aquatic plants we carry, can be found on our website on the Aquatic plants page [www.fgnsales.com/aq\\_plants.html](http://www.fgnsales.com/aq_plants.html).

We show a "Master Aquatic Plant Availability" with plants we have for 2019 and there is also a "Current Aquatic Plant Availability" (what looks good this week) which we update often through-out the season.

These plants are listed in the following categories and pricing is shown as a "retail" price with your discount (only to 'bona fide' members of the trade, based on purchase volume) being applied to that.

<b><i>Lily-like Aquatics - Hardy &amp; Tropical Types</i></b>
<b><i>Floating Plants</i></b>
<b><i>Submerged Aquatics</i></b>
<b><i>Hardy Marginals/Bog Plants +/- 48 Varieties</i></b>
<b><i>Aquatic Iris +/- 18 Varieties</i></b>
<b><i>Hardy Water Lilies +/- 61 Varieties</i></b>
<b><i>Specimens +/-30 Species/Varieties</i></b>
<b><i>Aquatic Canna +/- 10 Varieties</i></b>
<b><i>Tropical Marginals +/- 16 Varieties</i></b>
<b><i>Lotus/Nelumbo +/- 19 Varieties</i></b>
<b><i>Tropical Water Lilies +/- 16 Varieties</i></b>
<b><i>Scavengers &amp; Fish</i></b>

Need plants to give that pond installation a finished look in the landscape? Check out our selection of nursery stock. We have a large variety of terrestrial plants from perennials to specimen trees. We are an often overlooked gem of a resource for plant material. With our emphasis on water features we have many unique, asymmetrical or weeping plants to dress up your waterfall or stream.

***Don't leave 'money on the table'  
– finish the job with our plants!!!***
