Fourth Generation Nursery is a production nursery
(propagated and grown here in Mendon) and is Wholesale Only

BUT

For a limited number of days each year we open our doors as
The Hosta Farm of Mendon

2023 Open to the Public days

****May 20th** June 3rd** June 10th****

**** June 24th** July 22nd** Aug. 19^h****

These Saturdays ONLY ---- 8 am - 4 pm

You are invited to come and visit on these days **ONLY** .
You may browse and wander the 4 Acre Nursery & our Gardens.
Please respect the fact that we are **NOT** open on other days.

Any additional open days will be announced via e-mail and on Facebook
Shop if you wish - everything is available for sale, not just the Hosta.

When we open it is about value, not about “sale” prices.

We offer a selection of larger, chemical free, well established, Northern grown plants.

To join our mail list please send us an email to hosta_farm@yahoo.com

Please indicate if you wish to receive an e-mail before each time we open, our annual postcard with dates for the current year, or both. If you wish to receive a postcard please be sure to provide a valid mail address.

We have over 350 Varieties of Hosta

And a whole lot more!!!
