

FALIX STONE

Stone Formations

- Createk offers realistic stone formations for indoor and outdoor use.
- Made of a polyester resin material.
- Lightweight, yet very durable and weatherproof.
- Several pieces are designed to be used to hide unsightly well heads, electrical outlets, or vent pipes.
- They can also be used to hide your pumps or filters.
- Other sizes and shapes are available.
- Measurements reflect the greatest outside dimension on each side.
- Items are available in Granite or Brownstone. Unless otherwise specified granite will be shipped.
